Technical drawing of a mechanical part, likely a bearing housing, showing dimensions and tolerances. The drawing includes a cross-section view with a hatched area representing the housing. Key dimensions include: overall width 248, overall height 23, inner bore diameter 180, and a central hole with diameter 124 and tolerance 0.02. A section line 'I-I' is shown on the left. A note '1 TROU M10' indicates a threaded hole. A tolerance zone '0.02 A' is specified for the central hole. A handwritten note '(9.1630)' is present at the bottom.

Technical drawing showing a cross-section of a mechanical assembly. The drawing includes dimension lines and labels for various parts and features:

- (7)**: Points to the central shaft.
- (2)**: Points to the upper flange or housing.
- (6)**: Points to the lower flange or housing.
- (1)**: Points to the base plate.
- Ø124 $\begin{smallmatrix} -0,3 \\ +0,5 \end{smallmatrix} \ominus$** : Dimension for the outer diameter of the central shaft.
- C.P. Ø124**: Center point of the Ø124 dimension.
- Ø124 $\begin{smallmatrix} -0,02 \\ +0,05 \end{smallmatrix} \ominus$** : Dimension for the outer diameter of the lower flange.
- C.P. Ø124 H7**: Center point of the Ø124 H7 dimension.
- 0,02 A \ominus** : Tolerance zone for the lower flange.
